Subject..... Hwa Hwa Middle School - dispute over lease.

Made by..... D. I. Kao Yen-ken. Forwarded by..... D. S. I. Logan.

With reference to a telephone message received by C.C.R. at 8.22 p.m., September 10, from the Hwa Hwa Middle School, Lane 384, 4 Foochow Road, reporting that a number of students were attacking the school premises, enquiries show that it was an exaggerated report of a dispute between the 1st tenant (Hwa Hwa Middle School) and a 2nd tenant (Huh Chun Evening School) over the lease of class-rooms.

On September 7, one Chao Chun-yien (邵鈞炎) of ^{the} Huh Chun Evening School made arrangements with the management of the Hwa Hwa Middle School for the lease of three of the latter's class-rooms during certain evenings at a monthly rent of \$55.00.

On September 9, Chao attended the Hwa Hwa School and prepared to make use of the rooms. On finding that the three rooms were not connected with each other, Chao lodged a complaint but without obtaining a satisfactory reply.

At 7 p.m., September 10, Chao and some 100 students occupied three of the rooms which are joined to each other without the permission of the Hwa Hwa School in consequence of which a dispute arose.
